### CLUB INFORMATION

All visitors and sailors to Akaroa are welcome at the Clubhouse situated on the waterfront next to Akaroa's lighthouse on Beach Road. We offer both dinghy and keelboat sailing. Please check our website for full programme details. Visiting yachts from other Clubs are welcome to take part in racing but are not eligible to win Trophies unless the event is designated an Open Event.

The club has an extensive and busy sailing programme, commencing on Labour weekend, and going through until Queen's Birthday weekend, including short sprint races, harbour races, a long coastal series, a two handed series and a lady's skippers race.

Clubhouse facilities are comfortable and pleasant with extensive wardroom and out door deck areas and all facilities operate during and after sailing, which takes place every weekend, normally on Sunday's. Visitors will find a friendly and hospitable welcome when visiting Akaroa and our clubhouse.

Committee meetings are held at the clubhouse usually on the last Sunday of every month.

# CHRISTCHURCH YACHT CLUB

*Sailing Since 1891*

**PO Box 41 008 Ferrymead  
Moncks Bay, Christchurch**

**Website: [www.cyc.net.nz](http://www.cyc.net.nz)**

**Meeting Night – Second Monday of the Month**

Sailing from Monck's Bay since 1891, Christchurch Yacht Club is one of the oldest clubs in the country. Members past and present provide a roll-call of world-class yachties including New Zealand's first sailing Olympic Gold Medallists Peter Mander and Jack Cropp in 1956 and Leslie Egnot, Barcelona 1992 – Silver. With its distinctive historic clubhouse past Redcliffs on the road to Sumner, CYC has access to the water at all states of the tide and enjoys sailing areas both on the Estuary and over the bar into Sumner Bay. Low tide sailing by the beach at Shag Rock is particularly popular.

CYC has strong fleets of Zephyrs and Lasers supported by a growing fleet of juniors sailing Optimists, Open Skiff, P class and Starlings – all positively encouraged. Our active keeler fleet benefits from mooring and slipway facilities adjacent to the club.

New members and families are always welcome, with learn-to-sail and junior coaching programmes available throughout the season. The club runs a Learn 2 Sail programme in the first half of the season for sailors generally aged 9/10 and upwards, booking is essential register your interest at [info@cyc.net.nz](mailto:info@cyc.net.nz) – don't delay.

For more information, please contact the Commodore or any committee member.

### CLUB INFORMATION

- Pigeon Bay is situated approximately one and a half hour's drive from Christchurch, a short distance off the main Akaroa highway, on Banks Peninsula. (Turn left at the Hilltop, first bay on the left.)
- About seven kilometres long from the heads to the beach and facing due North, Pigeon Bay is exposed to good Easterly sailing winds on relatively flat water. As well as boasting one of the best sailing waters in Canterbury, there are good launching facilities and a large grassed and sheltered rigging area. The Pigeon Bay camping ground is approximately 300m from the rigging area.
- The Pigeon Bay Boating Club has its 'historic' clubhouse right at the water's edge next to the wharf and has a mixed fleet of trailer yachts, centreboard dinghies and catamarans. There are club Optimists available for tuition.
- The club regularly hosts class championships each season as well as regular club sailing weekends. There is a good social atmosphere and the club is always happy to make visitors welcome.

Turn east down Kainga Rd, from just south of the old Waimakariri road bridge, go past all the houses and turn left towards Riverlea Estate, right at reserve, then keep left following the yacht club signs, up over the river stopbank to Stewarts Gully Sailing Club.

The CWA works to foster and encourage local participation in windsports in Canterbury. Visit us on Facebook or check out our website to become a member, find out about upcoming events and to get involved!
